

Summer Flying Tips

Summer flying brings new weather hazards, temperature differences, wind issues. 25 tips for safer summer flying will be discussed.

Directions: Safety seminar will be in the large hanger/office just west of the T-Hangers

Airport is located just south of State Route 87 on Old State Road

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
